Since *Extra* is on Hiatus, **Mario Lopez** had some extra time on his hands this weekend— and what better way to spend it than in beautiful San Diego!

Ryan Cabrera played an intimate concert at Softcup's Cocktail Party at the Andaz Hotel in San Diego, where Mario was in attendance. He cuddled with girlfriend **Courtney Mazza** outside, while listening to Ryan Perform. According to onlookers, the couple's PDA was cute and cozy and they seemed to have a great time.

It's definitely nice for the two to have some alone time, with all the running around they must be doing with newborn daughter **Gia**!

Amanda Beard, American Swimmer and seven-time gold medalist, also made an appearance and posed for pics with the sexy Lopez. The athletic beauty donned a spicy leopard print floor length maxi dress that shined as bright as her seven medals.
