Hyatt Regency Mission Bay Spa & Marina, San Diego

Capturing the spirit of the bay with contemporary maritime themed décor, the Hyatt Regency Mission Bay Spa & Marina is the epitome of California coastal chic. With incredible ocean views, waterfront dining, a modern poolside lounge, an eco-friendly spa, and redesigned guest rooms and meeting rooms, the reinvented property is sophisticated, yet relaxing. This is the only hotel in San Diego with multiple water slides to entertain the kids — young and old. Guests find delight in the water playground with its three pools with numerous water features. The waterfront health club awaits with its state of the art equipment. The full-service marina offers jet skis, sailboats, kayaks, sports fishing and whale excursions that can make your vacation getaway dreams come true. Conveniently located within minutes of Sea World San Diego, the world famous San Diego Zoo, the Gaslamp Quarter, Fashion Valley Mall and the San Diego International Airport, the Hyatt Regency Mission Bay Spa & Marina offers the perfect spot to unwind or to set up home base and hit all the local attractions.

The Hyatt Regency Mission Bay Spa & Marina has 430 guestrooms, including 140 suites, all with breathtaking views. Most rooms have private balconies ideal for enjoying a glass of wine and a cozy snuggle with your mate.

Red Marlin Restaurant

Appealing to locals and tourists, the Red Marlin features a California-modern menu with fresh, locally grown ingredients to create delicious dishes that are pure, simple and health-conscious. Their sophisticated menu has something for everyone including the kids. Our server, Frank, highly recommended the Homemade Blue Crab Cake with lemon aioli

and baby greens (\$16), Crispy Ahi Tuna with brick pastry served over tea soba stir fry noodles (\$27), and Vanilla Crème Brûlée with fresh citrus, mint, and a walnut tuile (\$9) and each was scrumptious (thanks for the tip Frank!). Danny Bannister, the Chef de Cuisine, has honed his skills at several of San Diego's most acclaimed restaurants before finding his home at Red Marlin. Danny's a gem.

The restaurant's 360° panoramic view creates an enchanting backdrop, highlighting the resort and Mission Bay Marina and making each meal a special occasion. Red Marlin offers several seating options, including an open-air terrace overlooking the water's edge, the Chef's Table in the heart of the restaurant and situated adjacent to the Wine Wall, as well as "flex dining rooms" ideal for entertaining groups.

Red Marlin is open daily for breakfast 6:30 a.m. - 11:30 a.m., lunch 11:30 a.m. - 3 p.m., and dinner 5 p.m. - 10 p.m. The bar is open from 11:30 a.m. to midnight. Reservations can be made by calling (619) 221-4868. ■
