

July 2011

Red Marlin

At Mission Bay's Hyatt Regency, chef Danny Bannister (ex-Pamplemousse) creates California cuisine to match their bay views. Bannister's house-made blue crab cake and Kurobuta pork chops with roasted apple, bacon and acorn squash are equally delicious. Breakfast, lunch and dinner daily. 1441 Quivira Road, 619.221.4868, hyatt.com \$\$\$
