Monthly Tasting Menu at Quarter Kitchen

Damon Gordon's [Quarter Kitchen](#) in the [Ivy Hotel](#) will now offer a **monthly tasting menu Sundays through Wednesdays**. Themes will change each month, but the menu will always showcase locally-grown ingredients. February's meals will focus on Crow's Pass Farm. Menu highlights include baby beet salad with candied kumquats, farmer's goat cheese and aged balsamic vinegar; milk-fed veal tenderloin with sautéed greens, tomato confit and coffee jus; and macerated strawberries with fromage blanc. The special three-course meals will cost \$45 per person, \$70 with wine pairings by wine director Jared Seitzer. Quarter Kitchen at The Ivy, 630 F St., 619-814-1000.
