

## World's Sexiest Hotel Showers

**Design-forward hotel showers—with tech savvy touches or incredible views—that make a room worth booking.**

**The Shower:** At the touch of a button, a glass partition that separates the 1,275-foot Star Suite from a humongous shower turns clear or opaque, connecting the showering experience with the rest of the bedroom.

**The Suds:** Made with sage, almond, and spearmint, the shampoo, conditioner, and shower gel are supplied by environmentally conscious Korres, Greece's oldest homeopathic pharmacy.

**The Property:** In the heart of the Gaslamp Quarter, the property features 159 guest rooms with custom fixtures, flat-screen TVs, and generous-size glass-enclosed bathrooms.
